MEDICINE.

VEGETINE
AN EXCELLENT MEDICINE.
Springfield, O., Feb. 23, 1877.

This is to certify that I have used Vegetine,
manufactured by H. R. Stevens, Boston, Mass.,
for Rheumatism and General Prostration of the
Nervous System, with good success. I recom-
mend Vegetine as an excellent medicine for such
complaints. Yours very truly,
C. W. VANDEGRIFT.

Mr. Vandegrift, of the firm of Vandegrift &
Huffman, is a well known business man in this
place, having one of the largest stores in Spring-
field, O.

SAFE AND SURE.
Mr. H. R. Stevens: In 1872 your Vegetine
was recommended to me, and, yielding to the
persuasions of a friend, I consented to try it.
At the time I was suffering from general debility
and nervous prostration, accompanied by
overwork and irregular habits. Its wonderful
strengthening and curative properties seemed to
affect my debilitated system from the first dose;
and under its persistent use I rapidly recovered,
gaining more than usual health and good feel-
ing. Since then I have not hesitated to give
Vegetine my most unqualified endorsement, as
being a safe, sure and powerful agent in pro-
moting health and restoring the wasted system
to new life and energy. Vegetine is the only
medicine I use, and as long as I live I never
expect to find a better. Yours truly,
W. R. CLARK, 120 Monterey st.,
Allegheny, Pennsylvania.

W E G E T I N E
The following letter from Rev. G. W. Mans-
field, formerly pastor of the Methodist Episcopal
Church, Hyde Park, and at present settled in
Lowell, must convince every one who reads his
letter of the wonderful curative qualities of Vege-
tine as a thorough cleanser and purifier of the
blood.

Hyde Park, Mass., Feb. 15, 1870.

Dear Sir: About ten years ago my health
failed through the depressing effects of dyspepsia;
nearly a year later I was attacked by typhoid
fever in its worst form. It settled in my back,
and took the form of a large deep-seated abscess,
which was fifteen months in gathering.
I had two surgical operations by the best skill in
this state, but received no permanent cure. I suffer-
ed great pain at times, and was constantly weak-
ened by a profuse discharge. I also lost small
pieces of bone at different times.

Matters ran on thus for about seven years, till
May, 1874, when a friend recommended me to
go to your office, and talk with you on the vir-
tues of Vegetine. I did so, and by your kindness
passed through your manufactory, noting the
ingredients, &c., by which your remedy is pro-
duced.

By what I saw and heard I gained some con-
fidence in Vegetine.

I commenced taking it soon after, but felt
worse from its taking it soon after, but soon
felt it was benefiting me in other respects. Yet
I did not see the results I desired till I had tak-
en it faithfully for little more than a year, when
the difficulty in the back was cured; for nine
months I have enjoyed the best of health.

I have in that time gained twenty-five pounds
of flesh, being heavier than ever before in my
life, and I was never more able to perform labor
than now.

During the past few weeks I had a scrofulous
swelling disease in my left shoulder another part
of my body.

I took Vegetine faithfully, and it removed it
level with the surface in a month. I think I
should have been cured of my malady much
sooner if I had taken larger doses, after having
become accustomed to its effects.

Let your patrons troubled with scrofula or kid-
ney disease understand that it takes time to cure
chronic diseases; and, if they will patiently take
Vegetine, it will, in my judgment, cure them.

With great obligations I am,
Yours very truly,
G. W. MANSFIELD,
Pastor of the Methodist Episcopal Church.
